Starting points for Science Careers Outside of Academia

• ANSER is hiring and will hire interns in the summer:
  • https://www.anser.org/
  • Logan.marcus@anser.org

• The American Association for the Advancement of Science has the premiere Science & Technology Policy Fellowship:
  • Application was November 1, 2019 next year likely similar time frame.
  • https://www.aaas.org/programs/science-technology-policy-fellowships

• Federal Jobs are posted all of the time:
  • https://www.usajobs.gov/
  • Filter to “Open to the Public.”

• Federally Funded R&D Centers are good bets for entry level positions: https://www.nsf.gov/statistics/ffrdclist/
