

20th Conference on Flavor Physics and CP Violation

May 23-27, 2022

FPCP 2022

- Latest experimental and theoretical results
- New ideas in flavor physics and CP violation
- Cross-cutting, neutrino, multi-messenger studies
- Future projects and prospects
- Early career showcase and networking
- Authentic American food and music!

The University of Mississippi Oxford, Mississippi, USA

Local Organizing Committee:

J. Bennett (chair, Mississippi), A. Barnes (Mississippi), A. Datta (Mississippi), G. Davies (Mississippi), A. Di Canto (Brookhaven), D. Marfatia (Hawaii), N. Okada (Alabama), A. Petrov (Wayne State), B. Quinn (Mississippi), D. Sanders (Mississippi)

International Advisory Committee:

J. Bennett (Mississippi), F. Bianchi (Torino), R. Briere (Carnegie Mellon), T. Browder (Hawaii), Z. Doležal (Prague), U. Egede (Monash), A. El-Khadra (UIUC), M. Giorgi (Pisa), A. Giri (Hyderabad), B. Grinstein (San Diego), X-G. He (NT/SJTU), G. Hiller (Dortmund), D. Hitlin (Caltech), T. Iijima (Nagoya), C. S. Kim (Yonsei/Dongshin), Z. Ligeti (LBNL), F. Di Lodovico (King's College London), F. Mahmoudi (Lyon), D. Martinez (USC, Spain), S. Pascoli (Durham), C. Shen (Fudan University), A. Soffer (Tel Aviv), S. Stone (Syracuse), T. Yamanaka (Osaka)
